INTRODUCTORY

We present this, the fifth revised edition of our Provo City and Utah County Directory, with the belief that it will prove to be the most complete work of the kind ever issued for the territory embraced.

The several departments or sections of the work have been arranged as heretofore, and may be readily consulted by referring to the General Index on page 7.

The Provo alphabetical list contains 4,763 individual names, and by using the very conservative multiple of 2, we estimate the present population of the city and contiguous territory to be 9,526.

The publishers wish to return their sincere thanks to the business houses of the entire county for their liberal patronage, and to the public generally for the courtesy in furnishing information for these pages, and beg to announce that the sixth revised edition of the directory will be duly issued by us.

THE CITY DIRECTORY is the most effective and most economical method of reaching all the people all the time. Those who buy without looking at the list of those who sell do themselves great injustice. The classified lists in the Business Directory form the best Buyer's Guide on earth---a modern up-to-date method of getting what you want.

THE CITY DIRECTORY is the most effective and most economical method of reaching all the people all the time. Those who buy without looking at the list of those who sell do themselves great injustice. The classified lists in the Business Directory form the best Buyer's Guide on earth---a modern up-to-date method of getting what you want.

FARMERS' AND LAND OWNERS' DIRECTORY

NOTE.—In the following List of Farmers and Land Owners, same are arranged in alphabetical order. These names have been obtained from the Official Tax Lists at the County Seat, and are therefore considered correct. Only owners of farms of twenty (20) acres or over are given and not the names of owners of town lots or small parcels of land. Following the name of each land owner is given: First, number of acres owned; second, assessed valuation; third, owner's post office address.
